FIREARMS TRAINING PACKAGES

Membership packages for our Advanced Firearms Simulators. Join today to take advantage of our introductory rates. Our training facility in Port Orange, FL features a state-of-the-art simulator lab equipped with the same simulators used by elite military and law enforcement units, and highly decorated competition shooting teams. Our facility features a fully stocked armory which is staffed by highly-trained instructors with a wealth of experience in high-threat professions and industry knowledge. Our facility provides an immersive and safe environment for simulated and live-fire self-preservation training. By becoming a member, you'll have access to exclusive benefits and discounts.

Our state of the art simulators can augment live-fire using inert training pistols designed by firearms engineers to replicate function, trigger weight, take-up, reset, and recoil with corresponding overt and covert carry accessories, and duty and concealed weapons attachments.
