## ARMORY MEMBERSHIPS

Our community Armory | Pro-Shop in Port Orange, FL is your one stop shop for firearms related purchases and training. Fend Industries is 100% veteran owned and fully staffed by professional end-users of the products we sell. With a wide range of industry experience ranging from Special Operations to competition shooters, we guarantee to get you into a set-up you can trust. Our Armory is where the pros and serious shooters shop and work. Join today to take advantage of our introductory rates. Our FREE membership is available to offer you the lowest industry pricing and loyalty points system, or take advantage of our annual membership to gain exclusive access to training events and services, have your name permanently added to the official access roster and founding member page, complimentary FFL transfers, annual active shooter/use-of-force simulator access and more.....

Our training facility in Port Orange, FL features a state-of-the-art simulator lab equipped with the same simulators used by elite military and law enforcement units, and highly decorated competition shooting teams. We provide an immersive and safe environment for simulated and live-fire self-preservation training. By becoming a member, you'll have access to exclusive benefits and discounts.

Our state of the art simulators can augment live-fire using inert training pistols designed by firearms engineers to replicate function, trigger weight, take-up, reset, and recoil with corresponding overt and covert carry accessories, and duty and concealed weapons attachments.
